

# JOE'S WET SHACK

Shower 11 people  
at a time

Our 11 stall shower trailer gets you in and out fast. The trailer can run off a 50 amp circuit or a generator. Our 6 water heaters allow us to have plenty of hot water. We can hook up to fire hydrants for a water source and drain into sewer sanitation. If other arrangements are needed, we can assist you in your needs.

## *Standard Features*

- *50 amp circuit*
- *Generator capable*
- *Exhaust fans*
- *Fluorescent lighting*
- *Safety rails*
- *Hot-cold water*
- *Well managed*
- *Cleaned daily/disinfected*

Our 4 station sink area with mirrors allows people to shave and do their hair before or after showers.
